

Studio Booking.

This Page is for booking/renting the studio by a client for a specific duration. The First page show the picture of the available studios for booking.

To know more about the studio move the mouse cursor on the top of the studio image which will show the location details, Facilities available in the studio, Rate / hour and the opening and closing hours of the studio.

To enlarge the picture move the mouse cursor over its top and a zoomed image will be displayed.

There are 3 options available to search the availability of the specific studio. There are

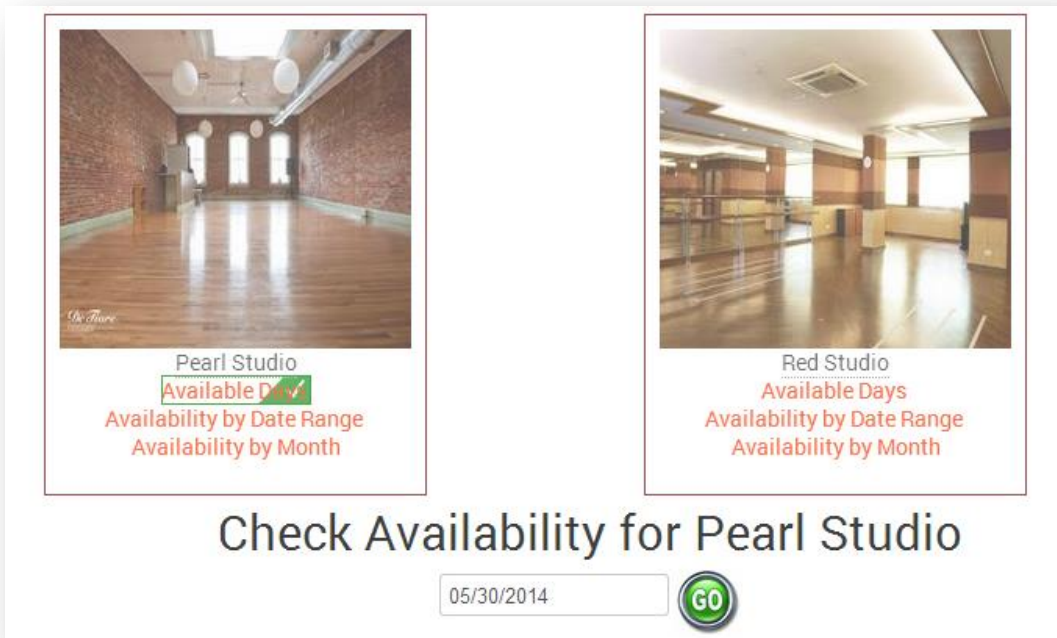

- By Available Days.
- Availability by Date Range.
- Availability by Month.

Let's check each option one by one.

By Available Days.

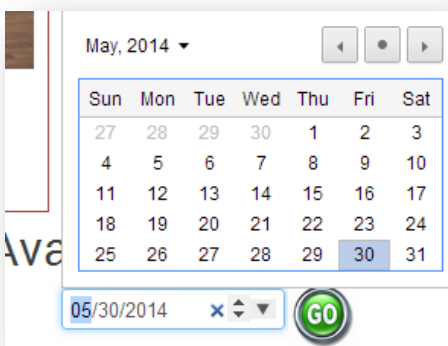

This option is to check the availability of the studio for a specific date. Say May 30,2014.

Click on the Available Days link just below studio you have short listed.

The screenshot shows two studio cards side-by-side. The left card is for 'Pearl Studio' and features a green 'Available Days' badge. The right card is for 'Red Studio'. Both cards list 'Availability by Date Range' and 'Availability by Month'. Below the cards is a search bar containing '05/30/2014' and a green 'GO' button.

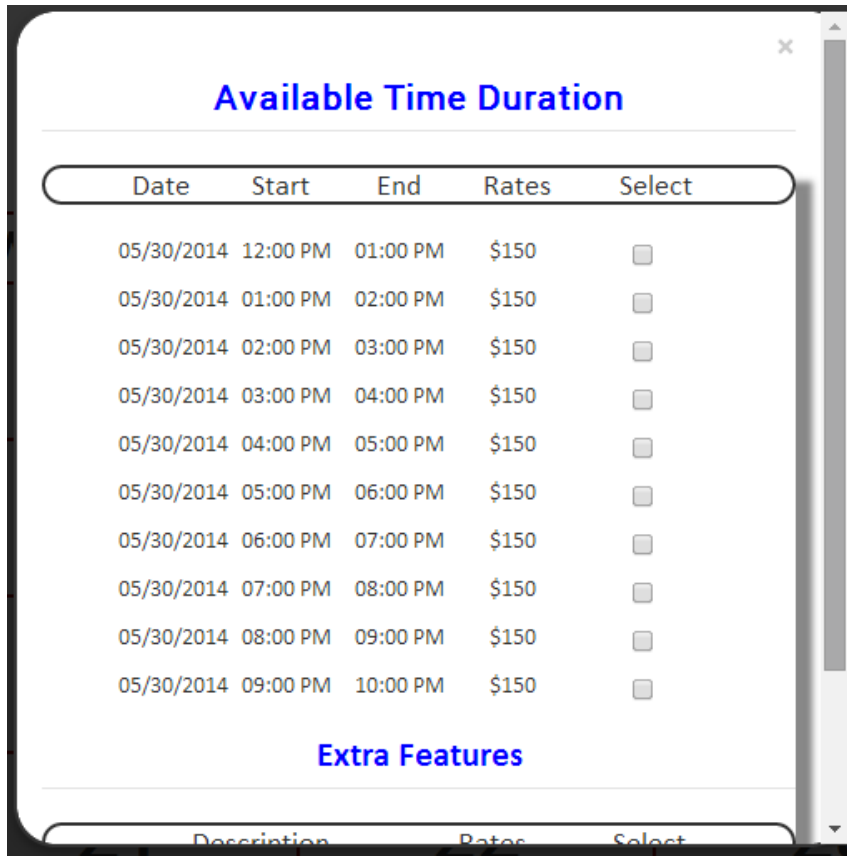

A Date column will be displayed in the bottom of the page in which by default today's date will be displayed. You can edit it and change to the any date and click on Go button. There is a calendar feature also available there in it by which you can browse through to select the dates.

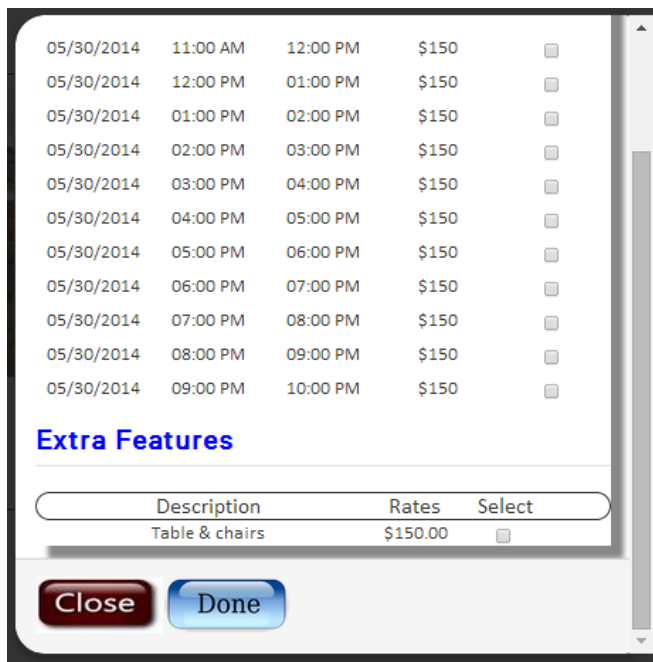

The screenshot shows a calendar for May 2014. The date 05/30/2014 is selected in the date input field below the calendar. A green 'GO' button is visible next to the date field.

Sun	Mon	Tue	Wed	Thu	Fri	Sat
27	28	29	30	1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

After clicking the Go button, another screen will popup which will display all the available hours for that studio.

From the extra features, the user can select it for the rates mentioned.

After selecting click on the Done button will show the summary of the selection.
